SUMMER CAMP 2017 – Kernersville

Discover - Imagine - Explore

Overview – Week 2 - June 19-23

DINOSAURS — A JURASSIC WEEK

During this week, campers will travel back in time to the Jurassic Period! Campers will learn many different facts about dinosaurs. Our budding Paleontologists will also create the gear they need to go find dinosaurs. Then they will travel to the Durham Life and Science Center where they will hike a trail in hopes of coming face-to-face with some life-sized dinosaurs. All campers are sure to have a Pre-historically Jurassic Week!

Field Trips

The Grand Theater

Winston-Salem, NC

Orange Team: Tuesday, June 20th

8:45am-1:00pm

Blue Team: Wednesday, June 21st

8:45am-1:00pm

Campers will leave school at 9:00am for the theater. There they will sit back with popcorn and a drink while they enjoy watching the movie Storks on the big screen.

Washington Park

Winston-Salem, NC

Orange Team: Wednesday, June 21st

1:30pm-4:30pm

Blue Team: Tuesday, June 20th

1:30pm-4:30pm

Winston-Salem, NC was devastated when a meteor struck their small town. Landing right on top of a simple little playground at Washington Park was heartbreaking. But despair quickly turned to excitement as dinosaurs emerged turning the simple little playground into a unique, prehistoric one-of-a-kind play experience.

Durham Life & Science Center

Durham, NC

Orange Team & Blue Team: Friday, June 23rd

9:00am-4:30pm

The Life and Science Center will keep our campers busy all day. Inside they will be able to have hands-on experiences with weather and space activities. Outside they will try their skills at a ropes course and climb from tree house to tree house. Finally, we will travel back in time and hike the prehistoric trail as we seek out life-sized dinosaurs.

Campers need to wear socks and shoes.
