SUMMER CAMP 2017 – Kernersville

Discover - Imagine - Explore

Overview – Week 4 – July 3-7

WILD ABOUT NATURE

Did you ever notice all the cool things there are in Nature? Have you ever walked by a small stream and stopped to notice all the animals and plants that live there? This week, our campers will stop to appreciate and learn about the world of nature around us. We will take nature walks – around the school and at a local park. We will learn about rocks and minerals and mine for precious gems at Dan Nicholas Park. Campers will even be able to keep any gems they find. So even as we slow down to smell the roses, it is sure to be a WILD week!

Field Trips

Kaleideum Downtown (formerly WS Children’s Museum) **Winston-Salem, NC**

Orange Team: Wednesday, July 5th **9:00am-1:00pm**

Kaleideum North (formerly SciWorks) **Winston-Salem, NC**

Blue Team: Wednesday, July 5th **1:30pm-4:30pm**

4th of July Park **Kernersville, NC**

Orange Team: Thursday, July 6th **1:30pm-4:30pm**

Blue Team: Thursday, July 6th **9:00am-1:00pm**

Campers will enjoy a relaxing time at the beautiful 4th of July Park. They will play on the playground and walk the park – taking in nature. The morning group will also have lunch at the park.

Dan Nicholas Park **Salisbury, NC**

Orange Team & Blue Team: Friday, July 7th **9:00am-4:30pm**

Dan Nicholas Park is not your ordinary park. Here campers act like prospectors from the '49 Gold Rush as they sift away the dirt to (hopefully) uncover precious gems. They will also explore nature as they ride a carousel and train, and enjoy petting the animals in the petting zoo. After lunch we will put our swim suits on and play in the splashing fountains.
