Overview – Week 9 – Aug 7-11

AROUND THE WORLD IN 5 DAYS

Around the World in 5 Days! During this week our campers become world travelers. Everyday they will visit a different country and culture. They will get to explore these countries through sights, sounds and taste. Our staff is working hard to make this an experience where learning is fun, and our Campers can feel like they've visited these countries without ever leaving home.

Campers will be assigned a colored band allowing them access to parts of the center based on their skills. Red bands are allowed to use the splash pad and splash pool only, yellow bands add the lazy river and slides, and green bands have full access to the center including the big pool with diving boards.
