Imprints Cares

Imprints Cares on Broad has another week of summer fun planned before school kicks off! You can learn about the new after school program downtown, too.

Their enrichment for children is filled with a sense of wonder in a safe and nurturing environment where they can run, jump, laugh, and sing, as together they "Learn. Laugh. Succeed." Sara, mom of a nine year-old son, says, "Experiences at Imprints Cares summer camp and after school over the past several years have been outstanding. My son talks about Imprints Cares all year long and cannot wait for each new adventure!"
