## SUMMER CAMP 2017 – Winston-Salem

Discover - Imagine - Explore

Overview – Week 3 – June 26-30

# WILD ABOUT NATURE

Did you ever notice all the cool things there are in Nature? Have you ever walked by a small stream and stopped to notice all the animals and plants that live there? This week, our campers will stop to appreciate and learn about the world of nature around us. We will take nature walks – around the school and at a local park. We will learn about rocks and minerals and mine for precious gems at Dan Nicholas Park. Campers will even be able to keep any gems they find. So even as we slow down to smell the roses, it is sure to be a WILD week!

**Dan Nicholas Park**      **Salisbury, NC**

Orange Team: Thursday, June 29<sup>th</sup>      9:00am-4:30pm

Blue Team: Friday, June 30<sup>th</sup>      9:00am-4:30pm

Dan Nicholas Park is not your ordinary park. Here campers act like prospectors from the '49 Gold Rush as they sift away the dirt to (hopefully) uncover precious gems. They will also explore nature as they ride a carousel and train, and enjoy petting the animals in the petting zoo. After lunch we will put our swim suits on and play in the splashing fountains.
