SUMMER CAMP 2017 – Winston-Salem

Discover - Imagine - Explore

Overview – Week 8 – July 31-Aug 4

Bugs Life

Ya know, it's tough to be a bug. During this week, campers will learn all about those pesky, little creatures we call bugs. While some of them might be cute, there is still a lot to be learned. How does a caterpillar turn into a butterfly? Why are ladybugs lucky? These are just some of the answers your Campers will bring home with them. It is definitely a Bugs Life!
