

SUMMER CAMP 2023

Letting Kids have FUN as KIDS

The 2022/2023 school year is behind us, but the fun, excitement and learning does not have to end. This summer we will be diving into many exciting worlds of science, history, technology, travel, and more. We hope your children will join us for our immersive programs.

FIELD TRIPS: Due to some Covid restrictions, some vendors are not reserving space at this time, so trips listed under the themes are not confirmed. We are hopeful and will do our best to make the trips happen. Even if they don't, campers will enjoy 3 field trips per week, and they will be announced as soon as possible.

CAMP 101

Field trips:
Bo's Entertainment
Safari Nation
Bumper Jumpers

It's a new summer and a new camp. This week will be all about getting to know your counselors, fellow campers, and the ins and outs of summer camp.

Field trips:
Rescue Ranch
Farm Tours
Farmers Market

A DAY ON THE FARM

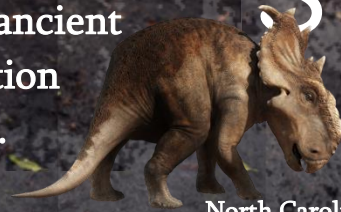

MOOO! I hope you will join us down on the farm as we explore all aspects of farming. From livestock to crops we will walk through all the different types of farming.

The world of farming is an essential but often overlooked aspect of this country and everyday life.

From the Triassic to Cretaceous periods we will be traveling through the past to discover all of the dinosaurs of the ancient world. Egg to extinction we will explore it all.

DINO STOMP

Field trips:
Vulcan Quarry
Dan Nicholas Park
North Carolina Museum of Natural History

Behind the Magic

Houdini to Chris Angel, this week we will be holding our breath as we lock into the life of magicians. Children will be learning tricks they can perform at home and the history of magic throughout the years.

Field trips:
Marbles Kids Museum
Jim the Magician, Tanglewood Pool

TOUR DE SALEM

The city of Winston-Salem, our town and home. We will dive into the history, companies, and amazing people that make this city what we all love. Going on a tour throughout Winston-Salem will give us a look into the side of this city that we miss every day.

Field trips:

Krispy Kreme, Bethabara Park, Winston-Salem Tour

CIAO!

Buono come il pane, or "good as bread". This week we will be flying across the ocean to the beautiful country of Italy. We will take a tour through the culture, history, and sights of this country.

Field trips:

Italian Restaurant
Museum of Anthropology
Tanglewood Pool

Planes, trains, and automobiles. We will be getting behind the wheel of the many different forms of transportation we have both today and throughout history.

Field trips:
Train Ride

NC Transportation Museum, Carolinas Aviation Museum

Field trips:
A/Perture Movie
Andy Griffith Tour
Nido Quibein Museum

This week we will be exploring different types of media such as film, photography, and other physical media. From the lights, the props, and everything involved in movies and photography we will be exploring it all.

To infinity and beyond! We will be blasting off to space and exploring from the moon to the edge of the universe. Looking into the science of Nasa's newest missions and how rockets work we will be getting hands on with the great beyond.

Field trips:

Kaleideum North

Durham Museum of Life and Science.
