PROGRAM INFORMATION

Employees

We employ highly-qualified staff which include teachers and other employees from your student's school and the community.

Homework

As part of the program, a structured homework time is offered. The staff we employ is available to help with questions, explanations, and redirections. It is however not a tutoring session.

Enrichment Activities

Arts and Crafts | Reading | Expressive Writing | Computer Time | Outside Time / Games | Building Blocks / Legos | Field Trips | Movies | Special Guests

All activities will enhance your student's social and emotional development while creating a safe and inviting environment. **(Preschool students cannot be transported on Imprints Cares buses.)**

Person Identification Numbers (PINs)

Parents will be issued PINs to sign their student in or out. PINs will also be assigned to anyone designated as an emergency contact or authorized pick-up. PINs are for security purposes and should be kept private. **To ensure correct records, please be aware of the number you are entering into the computer as well as sign in/out commands. Computer usage is for adults only.**
