

## SUMMER CAMP 2020

---

### *DISCOVER – IMAGINE – EXPLORE*

Imprints Cares Summer Camps are ready to start a summer of Fun, Laughter, and (don't tell the kids) Learning! We will Discover new places and friends, and let our Imaginations run wild as we Explore whole new worlds. Imprints Cares Summer Camps have a different theme each week, so no two weeks are the same – and for our returning campers, we strive to come up with new ideas, so that this year's Summer Camp is different than camps of the past.

This year's summer camp staff has been working hard to create unique and activity-packed weeks. We will keep our campers on-the-go all day long! Continue reading to find a list of our themes for this summer and a sneak peek at what each week will involve. Some of the sneak peeks will even reveal the field trips planned for the campers. (Our campers will go on 2-4 field trips per week.)

#### Basic Information About Imprints Cares Summer Camp

Imprints Cares Summer Camps start on Thursday, June 11<sup>th</sup> and end on Thursday, August 20<sup>th</sup>. All camps are open daily from 7:00am – 6:00pm Monday through Friday, with the exception of Friday, July 3<sup>rd</sup> on which we are closed for the Independence Day Holiday.

We offer four camps. Our two Winston-Salem Camps and our Kernersville Camp are camps designed for typical rising kindergarten through 6<sup>th</sup> grade students. We also offer a camp for children with special needs at our Downtown Winston-Salem location. All four camps will experience their own theme packed weeks! The downtown camp is modified to the abilities of the campers. (This summary focuses on our typical camps. A separate summary is available for our downtown camp.)

For most of the summer, our camps are divided into two teams by grade level. Rising 3<sup>rd</sup> through 6<sup>th</sup> graders will be assigned to the Blue Team. Rising kindergartens through rising 2<sup>nd</sup> graders will be assigned to the Orange Team. Each team will work separately from each other. They will do a lot of the same activities, which will be modified for each age group. There will be occasions where the two teams do different activities and go on different field trips.

Next you will find a list of when each camp will be hosting each theme. After you read over these dates, continue to see sneak peeks into our theme weeks.
